

# Wills Point ISD COVID-19 STAFF Action Plan 2021-2022

## Confirmed Positive Test for COVID-19

### Stay Home (Isolate)

Follow the guidance of your healthcare provider  
You may return when:

- At least 10 days have passed since symptoms first appeared or from first positive test date (asymptomatic test date)
- AND
- 24 hours have passed without fever or use of fever reducing medications

### STAFF

Notify supervisor, enter absences and provide medical documentation to HR

## Close Contact/Direct Exposure

-Being directly exposed to someone diagnosed as COVID-19 POSITIVE for greater than 15 minutes throughout the course of a day

### Stay Home (Quarantine) \*\* NOW OPTIONAL\*\*

If a staff member has been in close contact, they are not required to quarantine at this time.

#### **If staff member continues to work on campus:**

Rapid testing must be performed at the start of each day, every other day for 10 days. A mask is recommended (but not required) to be worn for a 10 day period when returning to school as a safety measure.

#### **If a staff member chooses to quarantine and wants to return early:**

They may return on day 6 if they do not exhibit any symptoms during the 5 calendar days of quarantine- rapid testing must be performed at the start of each day, once you return to work, on day 6, 8 and 10; if you develop symptoms during this time, contact supervisor

### STAFF

Notify supervisor, enter absences when opting to quarantine and provide proof of the direct contact positive result
